

1) An effective prayer model is Praise and Petition. First, give thanks to God. Praise Him in the space below, thank Him for everything in your life, thank Him for creating you, trust His plan, submit to Him as your Lord and Savior. Be Humble and thankful.

2) After giving thanks, now is the time to petition God for blessings, mercies, healing, guidance & comfort. Be sure to keep in mind the concept of, "if it is Your Will Father." Keep in mind that God has a plan for all of us, and the trials and tribulations of life on earth is nothing compared to eternity with God.
